A description of the condition of the Vehicle will be given to you at the same time as the rental agreement. Before leaving the rental location, you are required to check the condition of the Vehicle. Where an apparent defect is found which is not already listed in the document, you must immediately inform the Europcar employee at the counter in order to proceed with a joint-examination of the Vehicle. In such a case, amendments must be made to the document and duly countersigned by both parties.

If the amended document is not countersigned by both parties, the condition of the Vehicle will be as set out in the document given to you with the rental agreement and it will be considered that you received the Vehicle in proper working condition.

You will return the Vehicle in the same condition as it was provided at the start of the rental. You are responsible for any repair or refurbishment costs and these will be added to the cost of the rental, subject to the conditions of the section “Summary of Optional Guarantees” as set out below.

**Using of the vehicle**

The Vehicle must not be driven by anyone other than you and then only under the condition that your ability to drive is not in any way impaired by mental or physical incapacity or restricted by the Law.

The vehicle cannot be driven outside the territory.

Details of the restrictions which currently apply are displayed in the section ‘Specific Rental Terms’ and will be given to you at the same time as the rental agreement.

You must take care of the Vehicle, keep it in good repair and condition, pay any fines for which you may be liable, reimburse Europcar for any damage to the Vehicle, and refund Europcar for any costs it incurs.

You are liable for all fees, taxes, fines and penalties incurred in connection with the use of the Vehicle and for which Europcar is charged, unless they have arisen through the fault of Europcar.

During the rental period you must carry out the usual checks (engine oil level, tire pressure, etc.) as would any careful user and you must respect the maintenance cycle of the Vehicle as stated in the maintenance guide, if any.

When parking the Vehicle, even for a short period, you undertake to lock it and make use of the Vehicle's alarm and/or immobilization equipment. You must never leave the Vehicle unoccupied with the keys in the ignition. Non-return of the keys will lead to invalidation of the theft cover.

You undertake to use the Vehicle in a responsible manner and in particular, only for the purposes for which it is intended. For a car, this means primarily carrying passengers other than for hire and reward.

You will be liable for any offence committed during the rental period which relates in any way to your use of the Vehicle, as if you were the owner of the Vehicle. Upon the request of the Police or any official body Europcar may have to transfer your personal data. Such transfer will be done in accordance with the data protection Laws of the country of rental.

The Vehicle will be provided to you with a full fuel tank. You must only refuel the Vehicle with the correct type of fuel. Costs of fuel and for the refuelling service will be at your expense if the Vehicle is not returned with a full tank.
ATTENTION: Damage to the under body-work and/or roof due to collision with bridges, tunnels, overhanging structures etc., is excluded from the damage cover, unless force majeure can be proved...

you must not use the Vehicle under any of the following conditions or for any of the following purposes:

- driving the Vehicle under the influence of alcohol, drugs or any other type of narcotic substances
- transportation of inflammable or dangerous goods, as well as toxic, corrosive, radioactive or other harmful substances,
- carrying anything which, because of its smell or condition, harms the Vehicle or causes Europcar to lose time or money before it can rent the Vehicle again,
- transportation of live animals (with the exception of domestic pets, subject to prior authorisation by Europcar),
- with a roof rack, luggage carrier or similar, unless supplied by Europcar,
- re-rental to or use by other persons,
- carrying passengers for hire or reward,
- participating in rallies, competitions or trials, wherever they may take place,
- giving driving lessons,
- pushing or towing another vehicle (except those vehicles equipped by Europcar with a towing-hook; maximum load 1,000 kg), or exceeding the authorised load weight.
- travelling on non-paved roads or on roads, the surface or state of repair of which could put the vehicle’s wheels, tires or its under body mechanics at risk,
- intentionally committing any offence.
- none of the goods and baggage carried in the Vehicle, including their packing and stowage equipment, will be permitted to damage the Vehicle, nor put the occupants abnormally at risk,
- in any way which breaks the highway Code, road traffic laws or any other laws.

Maintenance / Mechanical Problems

The Vehicle has been provided to you with a full set of ties in good condition. In the event that any of them is damaged for any reason other than normal wear and tear, you undertake to replace it immediately at your own expense with a tire of the same dimensions, type and wear characteristics.

You must stop the Vehicle if any of the instrument panel warning lights, which are intended to indicate the existence of a mechanical problem, light up, or if you become aware of anything else which may indicate the presence of a mechanical problem with the Vehicle.

If the odometer has stopped functioning for any reason other than a technical failure, you will be required to pay a distance charge according to the rates in force in the country of rental.

When the rental starts, the Vehicle will be roadworthy and fit for normal use. If it is not, or if it becomes un-roadworthy or unfit for normal use during the rental because of mechanical breakdown or accident, you must inform a Europcar station or telephone the emergency number shown on the wallet of the rental agreement.

Europcar will have the choice between replacing the Vehicle or accepting repairs to be done to the Vehicle. In the latter case, repairs can only be made after written or oral confirmation from and instructions given by Europcar as well as prior acceptance by Europcar of the estimation of costs. You must be able to provide the name and station name of Europcar accepting the repairs. Without prejudice to any question of liability, the expenses for the repairs may be charged directly to Europcar. If not, Europcar reserves the right to request from you the remittance of the defective pieces and the paid invoice.

The fees and expenses of any repair undertaken without the order of Europcar will not be reimbursed to you. You must inform Europcar, or one of its agents, of all accidents, damage to or breakdowns of the car, even those which may already have been repaired, when you return the Vehicle. You will remain liable for any damages to Europcar.

In any case, neither Europcar nor its directors, officers or employees will be liable to you for any loss or damage (including but not limited to loss of profit or earnings...) nor, to the extent permitted by the Law, for indirect consequential damages whether your action is based on contract or in tort.
Rental Period

Principle and calculation
You undertake to return the Vehicle to Europcar at the agreed place, on the date and at the time indicated on the rental agreement.

The maximum duration of a rental agreement is 30 days. The rental duration is calculated on the basis of indivisible periods of 24 hours, starting from the time the Vehicle is made available. However, a 29 minute grace period is applied at the end of the rental before the start of a new 24-Hour period.

If you return the Vehicle to any other Europcar rental location than the agreed location, repatriation costs will be charged to you.

Should you wish to keep the Vehicle for a period longer than that originally set out in the rental agreement, you are must first contact by phone the nearest Europcar location in order to extend the duration of the rental agreement (depending upon the country of rental this may require you to come in person to a Europcar location).

The Vehicle is insured for the period mentioned on the rental agreement. Unless otherwise agreed in writing by Europcar, once this period is passed, the contracting party remains liable for any damages to Europcar.

End of rental
The end of the rental is defined by the return of the Vehicle and of its keys to the rental counter at the agreed Europcar location. This must be done to a uniformed Europcar employee and under no circumstances should you give the keys to any person present at the Europcar location and who you assume or who purports to be a Europcar employee. If explicitly mentioned in writing in the rental agreement the keys may be returned to the reception desk of a hotel.

If the Vehicle is returned without its keys, you will be invoiced for the cost of the replacement keys. Europcar strongly recommends that you carefully read this information available at counter.

Under no circumstances will Europcar accept any liability for articles that may have been left in the Vehicle at the end of the rental.

In the event of confiscation, theft or accident
In the event of measures by third parties, including attachment, confiscation or impounding of the Vehicle, you must immediately inform Europcar in writing. Europcar will then be entitled to take all measures which it deems necessary to protect its rights. You will be liable for all damage, cost and/or expenses associated with the above measures and for any direct, indirect, consequential damages (such as loss...) to the Vehicle unless it is demonstrated that Europcar is directly responsible for such confiscation or impounding of the Vehicle.

Furthermore, the rental agreement may be automatically terminated as soon as Europcar is informed of such action by the legal authorities or by you.

Any use of the Vehicle which may be detrimental to Europcar will entitle Europcar to automatically terminate the rental agreement with immediate effect. You will then return the Vehicle immediately as soon as Europcar so requests.

In the event of theft of the Vehicle, the rental agreement will be terminated as soon as Europcar has received a copy of the theft declaration made by you to the police authorities.
In the event of an accident, the rental agreement will be terminated as soon as Europcar has received a copy of the accident report completed by you and, where applicable, the third party. If Europcar provides a new vehicle, the rental agreement will be amended accordingly.

Furthermore Europcar will have no responsibility for loss, theft, robbery or damage of whatever nature relating to objects and/or utensils transported or which are found in the Vehicle including, in particular, baggage and/or goods.

**Insurance**

All the vehicles in Europcar's fleet are insured against Bodily Injury and/or Property Damage that you might inflict on a third party as a result of an accident involving the Vehicle. The amounts for such liability cover are available on request in the country of rental. In particular, you must comply with the rule concerning permitted destinations, as set out in Article "use of the vehicle" above, in order to have the full benefit of the insurance provisions.

In the event of theft of the Vehicle or damages caused to it, you must fully indemnify Europcar (the indemnification will include the amounts corresponding to the repair costs, resale value of the Vehicle, loss of use, administration charges...).

The amount will not exceed the market value of the rented vehicle at the time of the event.

This liability may be reduced if you opted for the "reduced liability" plan as defined in Article above.

Therefore, at the end of the Rental, IN THE EVENT OF DAMAGE OR THEFT, YOU WILL BE DEBITED with an amount equal to the non-waivable excess charge according to the tariffs in force in the rental country. IN THE EVENT OF LIGHT DAMAGE, YOU WILL BE DEBITED according to the provisions.

You are advised that any waivers you may have chosen will be invalidated if you fail to take reasonable measures for the safety of the Vehicle, its parts or accessories, or fail to comply with all restrictions on the use of the Vehicle or otherwise abuse or misuse it.

You will not be exempt from liability towards Europcar in the case of breach of contract. Therefore, you will be responsible for any financial loss Europcar suffers as a result of such breach and for any relevant claims made by other people. You agree to pay any amounts Europcar spends in enforcing these terms.

All our cars have air conditioning.

Renters are liable with the payment of the entire cost of the rental. For the payment in 3 or 2 times please refer to the French GTC.

The estimated rental cost and benefit is payable in advance. It includes: the rental price, calculated according to the rates in effect at the signing of the contract; any fees or cost options accepted by the customer, the different contributions to the complementary guarantees or insurance policies; plus the security deposit, if any, and the evaluation of the fuel service.

When paying using a credit card, the main driver will be the holder. However, the amount of the deposit, only an authorization, will be required at time of hire. On return, the amount of any balance of the invoice will be automatically debited from the account corresponding to the card presented unless the customer has other means of payment accepted by the Renter, subject to the application of the provisions of this Article 2.Bra on the advance payment if any.

The customer agrees the debit of all the cost related to his rental. (fuel, repairs, tickets and fines, extra days ...).

Failure to pay
In the event of non-payment by the due date shown on the invoice, you will be liable, for payment of interest on the due amount in accordance with the details on the invoice, if any.

Non-payment by due date of any invoice or any other non-payment will render all outstanding invoices due immediately and will authorise Europcar to require immediate return of any vehicles still on rent and to terminate the agreements relating to such rentals.

Security Deposit
At time of "Check-out" - after confirmation or amendment of the booking details with the customer - Europcar estimates the amount required for authorisation and requests an electronic authorisation from the card holder's issuing bank (the "Deposit").

The authorisation procedure allows Europcar to assess the final transaction amount and receive the protection of an authorisation before the start of the rental period. It confirms that the card holder's bank account is valid and within the available spending limit.

Amount of deposit depends on the category delivered and purchased warranties:

- The amount of deposit stays valid for the length of the rental agreement period. For rental agreements longer than thirty (30) days, a new estimated authorisation for each periodic amount is requested by Europcar from the card holder's bank account

The amount of deposit subject to authorisation is expressly mentioned on the rental agreement.

The amount is indicated below and cannot be under 650€.

At the end of the Rental, IN THE EVENT OF DAMAGE OR THEFT, YOU WILL BE DEBITED with an amount equal to the non-waivable excess charge according to the tariffs in force in the rental country. IN THE EVENT OF LIGHT DAMAGE, YOU WILL BE DEBITED.

At the end of the Rental, if no damage, theft or any other fee is reported, the deposit will be refunded.
