10) WHAT SHOULD I PAY ATTENTION TO WHEN PICKING UP THE VEHICLE?

If You notice any apparent defect or Damage that is not described on the Rental Agreement then You should ensure a note is made on the document and that both You and the Europcar agent sign the change to it. This also applies for any apparent defect or damage on the booked accessories.

11) WHAT PROCEDURES ARE BEING APPLIED WHEN RETURNING THE VEHICLE?

You should return the Vehicle to the Europcar station, at the latest, on the date and at the time shown on the Rental Agreement.

a) Return of the Vehicle during opening hours of Europcar’s station

You may return the Vehicle to another Europcar station for the cost mentioned on the Recommended Tariff List, Annex 2, attached to your confirmation e-mail if you made the reservation through distance means. This document may also be consulted on spot in stations and/or on Europcar website.

The Hire Period will end when You return the Vehicle to the Europcar station and hand the Vehicle keys and the registration documents to a Europcar agent or its representative.

Any return of the Vehicle at an earliest stage than the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement.

When You do return the Vehicle to Europcar You must take the opportunity to inspect the Vehicle together with the Europcar agent or its representative and countersign a Vehicle restitution damage report.

On your request Europcar shall give You a signed document where Europcar declares that the Vehicle was regularly returned to Europcar.

Europcar cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle, unless You can prove that the property and/or objects were missed in the area of responsibility of Europcar.

b) “Out-of-hours” return Service

Europcar recommends returning the Vehicle during opening hours of its stations. However, to meet the specific needs of some of its clients, Europcar offers, in certain stations, an additional “out-of-hours” service. You can find the Europcar 24h stations and stations with extended opening hours.

If You opt for this “out of hours” service, Europcar is entitled to draw a Vehicle condition report without your presence and after the drop off the keys.
In particular, You are to declare any incident and/or Damage that affects the conditions of the Vehicle on the document that you can find in the vehicle documents folder in the glove box of the vehicle.

Depending on the available systems and the information that You will have received from Europcar, this document must be leaved into the Vehicle or returned with the keys in the “keys drop off box” provided for that effect.

Please note that your Rental Agreement does not automatically ends when You drop off the keys: the Vehicle will remain on the parking space where You will have parked it until opening of the Europcar station that will proceed to the inspection of the Vehicle and close your Rental Agreement. Therefore, Europcar reminds you that you must park the Vehicle on an area provided for that purpose and in a manner so that the Vehicle is not a danger to others or hamper traffic as aimed by the Highway Code. The vehicle documents remain in the glove box of the vehicle. Providing that the Vehicle is inspected at a later stage – during opening hours of the station – Europcar recommends You to take photographs of the Vehicle in order to keep evidences of the date and state of return of the Vehicle once it is parked and before the drop off of the keys.

Once the inspection is made and in case of a damage, Europcar will inform you about this.

Europcar cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle, unless You can prove that the property and/or objects were missed in the area of responsibility of Europcar.

c) Return of the Vehicle without your presence and during opening hours of Europcar’s stations.

If you are unable and/or refuse to inspect the Vehicle together with the Europcar agent or its representative, Europcar is authorized to inspect the Vehicle itself without your presence and to register your refusal of a contradictory inventory.

The same Procedure as the one described above will applied (See 11°-b)).

d) Late return of the Vehicle

In the event that the Vehicle is not returned on the date shown on the Rental Agreement, and if You do not inform Europcar immediately about the delay in its return, Europcar shall regard the Vehicle as having been unlawfully appropriated and will be entitled to report this to the competent local authorities.

In such case Europcar will be entitled to charge You an additional day for each rental day at the rental tariff in effect; unless You can demonstrate that You have no longer the disposal of the Vehicle through no fault of your own or that the non-restitution of the Vehicle resulted through no fault of Your own; and claim to You all the damages and losses suffered by Europcar and all the fines, tolls, penalties or sanctions that falls on the Vehicle as a result of demands issued to it by public administrations for the purpose of identifying the perpetrator or clarifying other circumstances relating to a breach or criminal offence.

Europcar will also be entitled to start legal proceedings in order to claim the immediate return of the Vehicle. In such case, protections and additional contractual services would have no effect.

12) DAMAGES TO THE VEHICLE

In case of differences between the state of the Vehicle as described upon check out and the one identified upon return, You may pay the amount as defined below if you or the driver have caused the damage culpably.

a) Damages identified upon return of the Vehicle and in your presence

If some damages are identified upon return of the Vehicle when the inspection made, in your presence and in the presence of the Europcar agent or its representative, and if You acknowledge the damages by signing the statement of return of the Vehicle, the following provisions apply depending on the extent of the damage:

• Light Damage, minor insubstantial damage caused to the Vehicle without altering its delivery to the rental and permitting its movement in accordance with the provisions of the Highway Code (such as, for instance, without being exhaustive: light impacts on windshield and missing parts) are charged
TERMS AND CONDITIONS OF HIRE OF
EUROPCAR PRIMERO RENT A CAR D.O.O.

according to the Recommended Europcar damage price list (available in any Europcar station and on our website).

- Any other damage not included in the above mentioned Recommended price list and/or other more Serious Damage (substantial Damage impairing the delivery of the Vehicle rentals and requiring its temporary immobilization for repair such as, for instance, without being exhaustive: damages bodywork) will be evaluated by an independent expert and charged according to the expert’s report or a cost estimation made with an independent auto-repair garage.

If You contest Damages and their invoicing by refusing to sign the statement of return of the Vehicle, Europcar will apply the procedure described below (see article 12)-b).

**b) Damages identified in case of an out-of hours return and without your presence.**

If Damages are identified during the inspection of the Vehicle by a Europcar Agent or its representative without your presence, Europcar will send to you the following documents:

- statement of return of the Vehicle describing all Damages identified
- pictures of Damages
- An estimate (quote) of the costs of repair that will vary depending on the nature of the Damage (see above, article 12)-a) paragraph 2) and administration fees for the treatment of the Damage and the Vehicle immobilization.

You will be able to challenge Damages identified and their invoicing within 14 days after the sending (by e-mail or regular letter) of the documents.

If You fail challenging or justifying within the above mentioned period of 14 days, Europcar reserves the right to invoice You the cost of repair identified if you or the renter have caused the damage culpably.

Europcar reserves the right to exclude Renter and/or Driver if they have caused an extraordinary number of damages.

**c) Common rules**

Please note that depending upon the Damage suffered by the Vehicle and the type of protection You have subscribed to with Europcar (see the Europcar Insurance & Protections Provisions attached to Your confirmation email or available from all Europcar stations and/or on Europcar’s websites) You may or may not be charged for the full or for the partial amount of the cost of repair.

In any case, You will be able to challenge Damages and their invoicing by acting pursuant to dispositions of article 26.

**13) WHAT IS EXPECTED OF ME REGARDING THE VEHICLE MAINTENANCE?**

During Your rental, You must take all necessary protective measures to keep the Vehicle in the same condition as that in which You have taken possession.

You should remain alert to any signal from the warning lights on the Vehicle’s dashboard and take any necessary protective actions according to the instruction manual. Should you have any doubt, please contact our Emergency Management under +381 11 785 2818.

You will be informed of the next servicing interval (oil and filters change) at the beginning of your rental. You are obliged to follow this regulation and to prevail braking of servicing interval of the rented vehicle. In such case, You might be charged for the Guarantee lost fee in value from 600-6000 EUR.

Any modification to or mechanical interventions on the Vehicle are forbidden without Europcar’s prior written authorization. Should this rule be breached, You must bear the duly justified costs of restoring the Vehicle in the same state in which You have taken possession.

The renter may have repairs which are necessary in order to ensure the operating and road safety of the vehicle, carried out up to max. EUR 50,00 without further implications. Larger repairs may only be carried out with the agreement of Europcar. Europcar will bear repair costs if the relevant receipts are produced, unless the renter is liable for the damage, see 23.

You will be liable towards Europcar for any detrimental consequence arising out of any infringement to the abovementioned maintenance obligations.
14) WHAT SHOULD I DO IN CASE OF ACCIDENT, MECHANICAL BREAKDOWN, OR THEFT OF THE VEHICLE?

In case of an accident or impairment of the Vehicle working order due to a technical defect which prevents You from continuing your travel and/or obliges you to stop Vehicle to prevent any breakdown, You are provided with an Emergency Management service, included in the price of Your rental. The terms of this Emergency Management service are set out in Annex 1 of the present T&Cs. In the mentioned cases You should contact our Emergency Management service under the telephone number +381 11 785 2818.

You shall inform the police and Europcar immediately after any accident, fire, theft, wild animal or other incident. Claims by opposing parties may not be acknowledged. The renter shall, even if the damage is slight, produce a written report with a sketch without delay. The accident report must include in particular the name and address of the persons involved and any witness as well as the registration numbers of the vehicles involved.

In case of theft of the Vehicle, You shall provide Europcar with a copy of the report of theft filed before the local police authorities immediately with the keys and official papers of the Vehicle if those have not been stolen.

15) WHEN SHALL I RECEIVE MY INVOICE AND PAY FOR THE RENTAL?

You will receive a final invoice once all elements of Your rental have been settled and no earlier than the day after the Vehicle return date. All invoices are recalculated from EUR to local currency (RSD) by middle exchange rate of National Bank of Serbia. You will pay or be charged the full amount in one or in several lots or Europcar will make direct debit via the agreed method of payment depending on the product and payment method.

- You may decide to prepay (prepayment of your booking made online, via our call center or at the Europcar station) Your rental which will include the daily rental charge of the Vehicle and accessories for the Hire Period and for any additional mobility services. Your means of payment will be debited by the agreed amount. You will receive a booking reservation confirmation including the prepayment. In addition, the prepaid amount will be mentioned on the final invoice and deducted from the eventual total amount (still) to be paid.

- If You decide not to prepay Your rental at booking time, the amount of the deposit plus the rental charges for the Vehicle and any accessories, any additional services or drivers or protections You decide to take out before You take the Vehicle away will be shown on the Rental Agreement that You will have to agree and sign before picking up of the Vehicle. The final and global cost of your rental will be charged and invoiced at the time of return of the Vehicle at the end of the Rental Period.

Any additional fees or charges will be charged when You return the Vehicle (if they can be calculated at that time).

If You have incurred extra costs such as fine or caused Damages to the Vehicle identified without your presence Europcar will charge You these costs and the applicable administration fees at a later date, all these administrative fees (damage management fees, fines administrative fees), when Europcar becomes aware of them.

In this respect, You will have a fourteen (14) days period starting from the date of sending (by email or regular letter) of the notification of billing to challenge and justify not being the author of the fees. In case of no objection or justification from You within the aforementioned period, the amount of these fees will be charged.

Your invoice will be sent to You electronically if you have given your prior consent. . If You refuse to receive your final invoice electronically, You can elect to receive paper invoice.

If payment is by direct debit, a pre-notification of one day is agreed, which is fulfilled with the sending of the debit notification.

In addition, if the due date of payment shown on the invoice has expired and if You do not pay after having received a written warning You have to pay a default interest of 5 % above the relevant base rate, if you are a consumer. The default interest is 8% above the relevant base rate if you are a business customer. The renter can demonstrate that the actual loss due to default is less.

If the default of a renter makes the appointment of a debt collection agency necessary, than the renter has to bear the resulting costs if he was not evidently unable or unwilling to pay and has also not raised any other objections to the grounds for the claim.
If the invoice amount is not paid in due time, You have to pay the default interest additionally to the non-paid invoice amount.

  - If You have not cancelled and fail to come to the Europcar station to pick up the Vehicle, the prepaid amount will be refunded less a “no show” fee of EUR 95,00 net.

For the purpose of this section, cancellation of the booking or failure to pick up the Vehicle due to Force Majeure means that You are prevented or delayed by reason of war and other hostilities civil commotion, accident, lock-outs, trade disputes acts, embargoes or restraints of governments restrictions of imports or exports or any other cause or circumstance beyond Your reasonable (direct or indirect) control.

  - Present a means of payment for the extension of the rental period

If You don’t comply with the above mentioned conditions, the terms of the above section “Return of the Vehicle” will apply.

18) WHAT IS THE FUEL POLICY?

All Vehicles are supplied with a full tank of fuel. You are expected to return the car with the same level of fuel on car return. Please note that Europcar may require you to provide a proof of fuel purchase (receipt).

If You have not returned the vehicle with a full tank of fuel, You will be charged with the cost of the missing fuel including a refueling charge. Please refer to the Recommended Tariff List attached to Your confirmation email and available from Europcar stations and/or on the Europcar website.

19) MUST I PAY A DEPOSIT BEFORE PICKING UP THE VEHICLE?

When You pick up the Vehicle, you have to pay a deposit. If you pay with a credit card, an authorization is made for the deposit. The amount of the deposit takes into account the category of Vehicle, the Hire Period of the rental and all the...
additional products and/or mobility services that you will have selected at the pick-up of the Vehicle.

The deposit is intended to cover additional rental costs.

The rule of calculation applied to determine the deposit amount is maximum excess amount of rented vehicle category + rental + fuel tank cost. This amount can be decreased for some car categories after purchasing some extra insurance packages which are reducing excess damage or theft charges.

Its amount is specified in the Rental Agreement and in the confirmation email sent to You at the time of your booking.

If no additional rental cost are identified, then the deposit will be refunded at the end of the rental.

Deposit will be refunded via bank within 8 business days.

20) CAN I PAY MY RENTAL WITH A FOREIGN CREDIT CARD?

Yes you can, but all charges will be executed in local currency - RSD. We can’t collect in foreign currencies. However, inter country Banking system will convert your payment into your local currency.

21) WHAT IS EUROPCAR DOING TO PROTECT MY PERSONAL DATA?

Europcar hereby informs the Customers about the processing of their personal data. Europcar shall process the Customer’s personal data only for legitimate purposes, at the extent required for fulfillment of Europcar obligations laid down by the current regulations, contractual obligations, in order to provide services to Customer. Europcar shall use personal data for carrying out his business activities, in the manner and in compliance with the Law of Personal Data Protection. Europcar may provide personal data to legal or natural persons, or to the state authorities (police, court or magistrates).

Potential users of Customer’s personal data may be regulatory bodies and governmental authorities, to which the Europcar is obliged to deliver the data in compliance with the Law. Europcar shall collect and process such data according to the Law and voluntary consent of the Customer.

By signing this Agreement, Lessee acknowledges that s/he has been informed in advance by the Europcar about the rules and principles regarding personal data processing. According to above said, Lessee hereby gives voluntary consent to the Europcar to process the Lessee’s personal data according to the Law of Personal Data Protection.

22) ARE THE VEHICLES EQUIPPED WITH A TRACKER?

Vehicles of the group PREMIUM, LUXURY, SUV and other Selection vehicles can be equipped with a technology that makes it possible to determine the vehicles position. Europcar reserves the right to equip additional Vehicle categories with a tracker. In case you will rent such an equipped vehicle you must separately give your prior written consent that Europcar can collect, store and use the GPS coordinates and speed measurements.

23) WHAT IS MY LIABILITY IN CASE OF A DAMAGE?

a. The renter is liable for repair costs for accident damage, loss, theft or improper operation of the vehicle or impairment of contractual obligations according to clauses 2, 6 and 14 of these conditions, in case of a write- off for the replacement value of the vehicle less the residual value. The renter is also liable for any consequential damage, particularly reduced value, towing costs, fees for technical experts and a fee for administration costs. The renter is not liable if neither the renter nor the driver is responsible for the damage.

b. If an exemption of liability is agreed against payment of an additional sum, then Europcar exempts the renter for damage to the rental vehicle in accordance with the principles of vehicle damage (collision) insurance based on the relevant valid sample conditions of the AK (general conditions for vehicle insurance in Serbia) with subsequent deductible excess plus a cost lump sum of EUR 29.50. The liability exemption covers accident damage, i.e. through an incident acting suddenly from outside with mechanical force; brake damage, operational damage and pure fracture damage do not count as accident damage. The exemption of liability does not therefore cover in particular damage, which occurs due to improper treatment and/or operation, for example through incorrect gear changing or filling the wrong fuel, or though loaded goods. The deductible access for each damage is depending...
from the Vehicle category (for driver younger than 25 years the deductible is at least EUR 1200,00):

c.
The exemption of liability does not release the renter from the contractual obligations under clauses 2, 6, 14 of these conditions. The renter is fully liable in case of intentional infringement of the contractual obligations, particularly for damage, which occurs due to an unauthorised driver (clause 2) or due to a forbidden use (clause 6). If the renter has intentionally fled the scene of an accident or infringed obligations under clause 14, the renter is also fully liable, unless the infringement has no effect on the assessment of the damage incident. In case of grossly negligent infringement of a contractual obligation, the renter is liable in the proportion of the extent of the fault of the renter. The renter is also fully liable for intentionally caused damage. If damage is caused through gross negligence, liability is in proportion to the fault of the renter.

d.
If cover for fire and theft is concluded, the renter is liable particularly for damage to glass, damage caused by game animals, fire and the elements with a deductible excess of EUR 160,00 per claim plus a cost lump sum of EUR 29,50. The renter is expressly entitled, regarding the cost lump sum, to demonstrate that there has been no cost or considerably less than the lump sum.

e.
In other cases, the statutory regulations apply.

24) LIMITATION

If an accident has been recorded by the police, compensation claims by Europcar against the renter will only be due after Europcar has had the opportunity to inspect the investigation file. The period of limitation begins at the latest six months after return of the vehicle. In case files are to be inspected, Europcar will notify the renter without delay of the date of inspecting the file.

25) LIABILITY OF EUROPCAR

Any liability of Europcar due to the infringement of their contractually regulated duties is restricted to cases of intention or gross negligence, including intention or gross negligence of representatives and employees. Europcar is only liable in cases of slight negligence for injury to life, body or health, for infringement of essential contractual duties and for compulsory liability under the terms of the product liability law. In this case liability is limited in extent to the compensation of contractually typical losses.

26) WHAT HAPPENS IN CASE OF DISPUTE RELATED TO MY RENTAL?

a) Applicable law

In case of dispute between You and Europcar regarding Your rental, Serbian law is applicable.
