In the event of damage, the lessee has an obligation to immediately report the damage to the lessor. Within two (2) days from the time of the occurrence of the damage at the latest when the lessor is notified of the damage earlier than two (2) weeks from the time of damage, the lessee shall leave to the lessor a fully completed claim notification. In addition, the lessee shall cooperate to contribute to the investigation of the damage, including notification to insurance companies and to the police.

9. Liability of the lessee and his obligation to pay compensation in the event of damage to or loss of the vehicle and also with driving outside Sweden without the permission of the lessor

The lessee undertakes to read and approve the claims documentation ("Delivery note") as directed by the lessor prior to departure. Supplementary equipment rented is not covered by the Collision damage waiver (CDW)/Thief damage waiver (THW). The lessee may for separate insurance charges, Collision damage waiver (CDW) and Theft damage waiver (THW) reduce his or her liability to pay compensation for each item of damage/threat. With these insurances the lessee's obligation to pay compensation is limited to the amount stipulated in brackets within the respective claim component.

The lessee is also purchasing a supplement for overhead damage waiver and Full accident and damage protection (SPCDW), which eliminates the costs of loss claims specified above. The Full accident and damage protection insurance is valid in the countries listed below if the lessee uses CDW/THW/SPCDW.

Insurance Collision Damage Waiver (CDW), Theft Damage Waiver (THW) and Full Accident & Damage Protection (SPCDW) is provided by Codon Forsäkring AB through branch Trygg-Hansa Försäkring, 5614044 4456. Full terms are available at www.trygghansa.se/europcar, VAT is not on the insurance premium. The product may be purchased in three variants.

When claiming under the vehicle's legal protection insurance, the lessee is charged with the deductible according to the insurance company's conditions, regardless of whether CDW/THW/SPCDW has been bought. The lessee's liability will be reduced by CDW/THW/SPCDW amount to a maximum of SEK 2,500.

For CDW/THW/SPCDW to apply, the lessee must satisfy the ordinary obligations in relation to claims cases. The insurance is immediately invalid if the lessee/lessor has been convicted for any of the following circumstances:

- The lessee has failed to use the vehicle for its intended purpose.
- The lessee/lessor has not properly carried out the service inspection or if the driver has changed.
- The lessee has been charged for increased road tolls for rentals that have been performed within the 14 days after the expiry of the rental period.
- The lessee/lessor has not properly performed the service inspection.
- The lessee has not paid the rental charge within the agreed date and/or the agreed rate applied.
- The lessee/lessor damage shall be routinely reported to ECRCS.

The lessee undertakes to refer to the insurance company's conditions, regardless of whether the lessee has bought CDW/THW/SPCDW.

The purchase of CDW/THW/SPCDW does not release the lessee from liability for repair costs for damage that has arisen by carelessness, for example a carelessly loaded vehicle, damaged or stained interior fittings, broken control, use of wrong fuel and comparable. Nor does CDW/THW/SPCDW apply to damage caused by a result of damage caused by a road accident or another similar circumstance.

The lessor may, within 14 days after dispatch (via e-mail or letter) of the documentation supporting the claim for repair, damage or shortage, state the opinion that the measures to be taken are in accordance with the conditions in relation to claims cases. If the lessee disagrees with the opinion stated by the lessor, he or she has the right to request a re-inspection of the vehicle by the lessor or by another acceptable person.
